- Everyone is welcome. All skill levels! Great way to meet other members!
- Memorial Trophy season long points competition.
- And the best of all... You don't have to make a tee time! We have early block times.

Slow Play Policy

The CCMGA is committed to providing an enjoyable golfing experience for our members and all patrons of The Captains Golf Course. This includes the expectation that all players can complete an 18-hole round of golf within 4:10. By enforcing the time limit within our association, we hope to establish good habits that provide benefits beyond our Wednesday morning matches. *The full policy is available on our website.*
