

Local Rules

Play the ball as it lies

Distance Measuring Devices – We do allow the use of distance measuring devices for all of our club events.

Cup - The ball must go into the hole to be considered holed out.

Ball in footprint in bunker – If your ball is in a footprint in a bunker it is considered ground under repair. You are allowed to place the ball within one club-length no nearer the hole without penalty. However the ball must remain in the bunker.

Ground Under Repair – Areas marked with white lines (Free relief within one club-length of nearest point of relief, no nearer the hole).

Roads & Cart Paths - Roads and paths are considered obstructions only if they are artificially surfaced. A road or path to which any foreign material, e.g., concrete, tar, gravel, wood chips, etc., has been applied is artificially surfaced and thus an obstruction. You may take a free drop from an obstruction within one club-length of the nearest point of relief, no nearer the hole.

Therefore, if a road or path is not artificially surfaced or marked with white lines, you must play the ball as it lies.

Lateral Hazards – Marked with red staked/lined areas on #5 Port and #5 Starboard, the area left of the cart path on #8 Port and the ponds on #8 and #14 are lateral hazards. On Port #5 and Starboard #5, there are drop areas that may be used as an additional option.

Out of bounds –

- White stakes to the right of Starboard #5
- White stakes to the left of Starboard #6
- White stakes to the left of Starboard #7
- White stakes beyond Port #4 green
- Chain link fence to the right of Port #5
- Chain link fence beyond Port #12 green
- Chain link fence to the right of Port #15
- Chain link fence to the right of Port #16
- Freemans Way to the right of Port #17
- Freemans Way to the right of Port #18
- The parking lot is also considered out of bounds

The pump houses on #2 Port & #3 Starboard and the 150-yard markers are to be played as immovable obstructions.
